Tenant Education Workshops

Solid Ground's Tenant Counselors are available to provide educational workshops in the Seattle/King County area on Washington State landlord-tenant law and other topics related to ensuring successful tenancies.

Our Tenant Counselors work with organizations and community groups anywhere in King County. We can come to your site to provide all the information and materials needed to help service providers and/or their clients have a better understanding of tenant rights and responsibilities.

Scheduling a Tenant Education Workshop:

If your organization or community group would benefit from a workshop, please contact us at:
